REGULATION - PROGRAM

Concours d' Elegance | Stile sul Mare in Cecina from 17th to 18th May 2025

The Garage del Tempo of Cecina (Tuscany, Italy), has organized the Concorso d'Eleganza for vintage cars called [either "Style by the Sea" or "Stile sul Mare"] which will take place in Marina di Cecina from 17th to 18th May 2025. As guests you will be welcome in the splendid setting of the Viale della Vittoria in Marina di Cecina, where the cars will be exhibited directly by the sea.

The event is dedicated to cars in the following categories:

Garage del Tempo (until 1915);

Beetle, a timeless icon (from 1945 to 1963);

The Tailor Made Suit, custom cars (from 1945 to 1969);

Garage Bizzarrini (all the works of Giotto);

Sports Car Excellence (from 1970 to 1999);

Panda, don't call it a small car! (from 1980 to 2003).

A maximum of eight cars per category will be selected by the Jury.

Each applicant can propose a car by sending the registration form to garagedeltempo@gmail.com by April 20, accompanied by the following photos: ¾ front, ¾ rear, interior of the car and engine compartment. Please include a copy of the pre-registration fee of €100.00, which must be paid to Garage del Tempo, on IBAN IT39A 08461 70691 00001 03633 72, SWIFT (o BIC) CCRTIT2TCAS, reason for payment: Stile sul Mare competition. The balance of €200.00 must be paid only after approval by the Jury. If the car is not admitted, there-registration fee paid will be refunded.

The proposed vehicles will be evaluated in advance by the Competition Jury, who will decide which cars will be admitted. The Jury will communicate the cars admitted to the Competition by April 30.

The Competition Jury is composed of personalities from the world of historic motoring and their choices will be final and binding.

The cars in the Competition will be evaluated by the Jury as well as voted on by the public during the day on Saturday. The owner of the car, or his delegate, must be available to the Jury during the verification process to illustrate the history and characteristics of the car.

The Jury, in its evaluations, will take into account the degree of originality, the state of conservation, the faithfulness of the restoration, with regard to both the mechanics and the various components of the bodywork. The car must be in working order, able to parade and demonstrate that it is efficient in every functional aspect.

Convertible cars may be exhibited open and, upon request of the Jury, every aspect, both aesthetic and functional, may be viewed.

Prizes will be awarded to the first three winning cars in each Class. The car with the most votes from the public will also be awarded a prize. The cars will be monitored by a special security service.

The registration fee includes lunch and dinner on Saturday and Sunday lunch for two people and a welcome kit with local products. For each additional person an additional fee of € 200 must be paid.

The fee does not include accommodation which can be made in the affiliated facilities.

The organizers reserve the right to make any changes necessary and the participants will be promptly informed.
